

Campolindo Sports Boosters Club Vespa Raffle

Why Sell Sports Boosters Raffle Tickets? - Campolindo Sports Boosters supports all of the sports teams at Campolindo and Campo's athletic trainer, Ray Albiento. Funds provided to teams pay for uniforms, equipment, tournament fees and other items requested by the coaches.

I Already Paid the \$260 Sports Participation Fee. Doesn't That Cover All Sports Expenses? - The \$260 fee goes directly to the Acalanes School District and is used to pay for coaches' stipends, coach certification, bus transportation, stadium lighting and field maintenance. It does not pay for any uniforms, equipment or tournament fees.

How Much of the Ticket Sale Proceeds Will Benefit My Team? - After we cover the cost of the raffle prizes and ticket printing we expect to return at least 90% the proceeds to the teams that sell the tickets.

How Many Raffle Tickets Do I Have To Sell? - Each team should set its own goal depending on their needs for things such as tournament fees, uniforms and equipment. The tickets are \$20 each.

What Do I Do With The Ticket Stubs and Proceeds After I Sell The Tickets? - Please turn in the ticket stubs and proceeds to your parent sports booster rep. Any checks should be made payable to "Campolindo Sports Boosters".

What Is The Deadline For Selling Tickets? - We ask that all students finish selling their tickets by the end of their sport's season but we will accept sales right up to the date of the raffle, which is April 30, 2011.

Are There Any Incentives For Selling Tickets? Yes - the top seller gets a \$300 cash award, 2nd place is \$200 and 3rd place is \$100. The seller of the winning ticket also receives a \$100 cash award.

What If Someone Is Not Interested In A Vespa Scooter? The winner has an option of receiving a \$2,000 cash prize.
